

**PLYMOUTH SAFEGUARDING CHILDREN PARTNERSHIP**  
**Multi-Agency Learning from Experience Review**

**AUDIT TOOL**

*This tool is to support and prompt you during discussions at the Learning from Experience event and will not be collected by the PSCP Business Unit. Therefore, please fill in however you feel would be most useful to you.*

Name of Auditor, job title and agency	
Name and age of child/young person, ID number	
Date child first became known to your agency and length of your involvement	

A brief pen picture/description of the child/young person and their experience.	
How were the child's risks recognised? What work has your agency done with the family? What impact has/is this having?	
What intervention was provided (and when) and how did this benefit the child/young person?	
How has your agency and our Partnership decision making matched the risks and needs of the child?	
How was the family's history used to inform the child's plan?	
Is the child's voice and lived experience clear? How has the child's voice shaped our responses?	Yes / No / NA Please provide comment:
How has the child's diversity needs been taken into account? (religion, culture, race, sexuality, SEND, mental health)	

What support has been put in place for the child and family?	
What outcomes have been achieved for the child? What is the evidence that multi-agency working has been effective? What could we have done differently or better?	

Training/learning that has supported best practice and training gaps:
